

# GENERAL INFORMATION AND GUIDELINES

## Trained Counselors and Staff:

Our counselors and summer interns are from Olivet Nazarene University, all of whom have cleared a background check and have been thoroughly trained in preparation for camp. We also have an onsite Health Officer and lifeguards at the lake to keep campers safe and well cared for.

## Medications:

ALL Medications MUST be in their original containers with the prescription label attached. ALL medications will be turned into the Health Officer upon check-in.

## Head Lice Check:

Each camper will be examined for head lice upon arrival. *If nits or lice are present, campers will not be admitted to camp.* If a camper is sent home, the camp is not responsible for expenses incurred in picking up the camper. We want your time at camp to be a pleasant and enjoyable experience, so please take the following precautionary measures to see that your camper is ready for a positive camp experience:

- 1) Parents should do a head lice check on their campers two weeks before camp.
- 2) Parents/Pastors/Drivers should do a head lice check of the group on the day of departure to make sure no nits or lice are present.

## What is the Dress Code for Camp?

Indian Lake Nazarene Camp is committed to protecting the innocence of children. Our hope is to encourage behavior and attitudes that help others see Christ in us. We appreciate your sensitivity in this matter. Please follow this guide when helping your camper pack their bags. *Please do not bring the following to camp:* tight or revealing clothing, shorts with less than 3" inseams, spaghetti strap tops, low cut jeans or shorts, loose fitting tank tops, bare midriff. Please bring only modest swimming suits (no two piece suits). Cover ups must be worn to and from the beach.

## GOD IS FAITHFUL.

Indian Lake provides a place where everyone can live reconciled to God and each other. It is our top priority that students who attend camp will experience God's love in a powerful way. We have wonderful services, speakers, and music but God's love is experienced in SO many ways at Indian Lake. This generation has limitless opportunities but kids continue to be more plugged in, read less, spend less time outside and are less fit. The average American youth today spends about 82 minutes per day on their phone and only 4 minutes per day playing outside. Students who attend summer camp have an adventurous time in creation, stretching their hearts and minds (and legs) and have a new sense of purpose. Campers discover God's love for them. Campers discover hope, peace and acceptance. Camp is powerful. We hope you will allow your children to join us this summer at Indian Lake Nazarene Camp!

THE VOICE OF  
THE LORD  
IS POWERFUL;  
THE VOICE OF  
THE LORD  
IS MAJESTIC

PSALM 29:4
