

RV GUIDELINES

As an RVer at ILNC, you are responsible for the following items:

- Keeping all dogs on leashes when outside your RV. Please be a responsible pet owner by picking up after your dog.
- Keeping noise at a respectable level, especially between 10 PM and 6 AM.
- Hooking your RV up to the power and water sources assigned to your specific RV lot. **Please keep backflow prevention devices on the water spigot.**
- Maintaining clean, organized and presentable lots. You are responsible for keeping your RV lot mowed. Please confine your belongings (cars, trucks, boats, etc.) and extended slide-outs to your assigned lot. Do not park on common Camp property.
- Discarding of trash properly **in** the dumpsters, **not** on the ground beside it. Please do not burn trash in your lot's campfire ring.
- Not bringing in outside firewood to prevent the infestation of destructive pests and bugs. Firewood is available to purchase.
- Building portable decks and similar structures so that they may be easily removed, if needed.
- Cleaning up after yourself when leaving your assigned lot. Please leave your lot better than you found it!

Reminder that alcoholic beverages, cigarettes, vapes, and e-cigarettes are not allowed on ILNC property.
