

RV & Camping Guidelines

As an RVer at ILNC, you are responsible for the following items:

- **Keeping your RV lot mowed.**
- **Hooking your RV up to the power and water sources assigned to your specific RV lot.**
- **Keeping your lot clean, organized and presentable. Please organize your belongings in such a way that they stay confined on your assigned lot.**
- **Ensure that when your slide outs are extended, your RV remains within your assigned lot lines.**
- **Discarding of trash properly in the dumpsters. Please do not burn trash in your lot's campfire ring.**
- **Keep backflow prevention devices on the water spigot.**
- **Use firewood purchased at ILNC for all campfires to ensure that destructive species are not brought to the camp through outside firewood.**
- **Building portable decks and similar structures so that they may be easily removed, if needed.**
- **Daily and Seasonal RVer's must remove all items from the lot upon departure.**
- **Cleaning up after yourself when departing from your assigned lot. Please leave your lot better than you found it!**
